Re: Proposed Ballycar Wind Farm- An Bord Pleanála Reference ABP-318943-24

Dear Sir/Madam,

The above-mentioned project is currently with An Bord Pleanála having been submitted on the 26th January 2024. An Bord Pleanála requested additional on the 26th July 2024 which was furnished to the Board on the 20th of September 2024.

Following on from the submission of the additional information, the Board has considered that this further information contains significant additional data in relation to the effects on the environment of the proposed development and it therefore required that we do the following:

- Publish new Newspaper Notices stating that significant additional information has been furnished to the board.
- Erect new Site Notices stating that significant additional information has been furnished to the board.
- Make available the significant additional information for inspection or purchase at the offices of An Bord Pleanála and Clare County Council
- Make available the significant additional information for review or download at the following website www.ballycargreenenergyplanning.ie
- State that submissions or observations in relation to the additional information may be made in writing to the board between the 22nd of November 2024 and before 5.30pm on the 23rd of December 2024.

The above-mentioned items have been completed and all documentation will be available to the public and to interested parties from the **22nd of November 2024**.

Submissions or observations may be made to An Bord Pleanála (The Board), 64 Marlborough Street, Dublin 1 in writing or online at www.pleanala.ie on or before 5.30pm on the **23rd of December 2024** relating to:

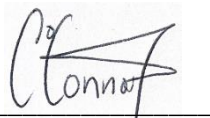

- i. the implications of the proposed development for proper planning and sustainable development, and
- ii. the likely effects on the environment of the proposed development, and
- iii. the likely significant effects or adverse effect on any European site, if the development is carried out.

The documentation may be viewed/downloaded on the following stand-alone website: www.ballycargreenenergyplanning.ie.

In the event that you require printed copies of any documentation submitted, please contact the undersigned and we will be happy to provide it to you.

If you have any queries in relation to anything outlined above, please contact the undersigned.

Yours sincerely,

Caoimhe O'Connor

Re: Proposed Ballycar Wind Farm- An Bord Pleanála Reference ABP-318943-24

Dear Sir/Madam,

The above-mentioned project is currently with An Bord Pleanála having been submitted on the 26th January 2024. An Bord Pleanála requested additional on the 26th July 2024 which was furnished to the Board on the 20th of September 2024.

Following on from the submission of the additional information, the Board has considered that this further information contains significant additional data in relation to the effects on the environment of the proposed development and it therefore required that we do the following:

- Publish new Newspaper Notices stating that significant additional information has been furnished to the board.
- Erect new Site Notices stating that significant additional information has been furnished to the board.
- Make available the significant additional information for inspection or purchase at the offices of An Bord Pleanála and Clare County Council
- Make available the significant additional information for review or download at the following website www.ballycargreenenergyplanning.ie
- State that submissions or observations in relation to the additional information may be made in writing to the board between the 22nd of November 2024 and before 5.30pm on the 23rd of December 2024.

The above-mentioned items have been completed and all documentation will be available to the public and to interested parties from the **22nd of November 2024**.

Submissions or observations may be made to An Bord Pleanála (The Board), 64 Marlborough Street, Dublin 1 in writing or online at www.pleanala.ie on or before 5.30pm on the **23rd of December 2024** relating to:

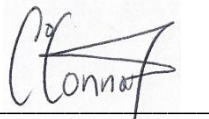

- i. the implications of the proposed development for proper planning and sustainable development, and
- ii. the likely effects on the environment of the proposed development, and
- iii. the likely significant effects or adverse effect on any European site, if the development is carried out.

The documentation may be viewed/downloaded on the following stand-alone website: www.ballycargreenenergyplanning.ie.

In the event that you require printed copies of any documentation submitted, please contact the undersigned and we will be happy to provide it to you.

Should you have any queries in relation to the enclosed please contact the undersigned.

Yours sincerely,

Caoimhe O'Connor
